Dear UCU Prospective Students and Parents,

Re: Congratulations on Your UACE Results and an Invitation to Begin Your University Journey at Uganda Christian University

Blessings in Christ, from whom all blessings flow.

Today, 13th March 2026, marks an important milestone in your life. The release of the 2025 Uganda Advanced Certificate of Education (UACE) results is a moment that many of you—and your families—have waited for with great anticipation. Allow me to begin by congratulating you warmly on reaching this stage of your academic journey. Completing Senior Six is no small achievement. It represents years of hard work, perseverance, discipline, and sacrifice.

As you reflect on your results today, I encourage you to remember that this moment is not merely the end of secondary school—it is the beginning of a new chapter in your life. The choices you make in the coming weeks will help shape your future, your career, and the contribution you will make to society.

It is therefore my pleasure to inform you that the **Uganda Christian University (UCU) online application portal is now fully open as of today, 13th March 2026**. You may now begin your application through the official portal: <https://application.ucu.ac.ug/>
