

## CONTINUING REVIEW ANNUAL PROGRESS REPORT TEMPLATE

PI(s): .....

Protocol Title: .....

Protocol version and date: .....

Expiry date of current approvals:.....

Period covered by this report:.....(provide dates)

Brief rationale for the Study

General Research Objective

Specific objectives.

Study Methods

Brief description of the study design, study sites, study population, sample size, and study duration.

Status of Participants in the study

Provide the status of participant enrollment for the reporting period.

| Item | Participants         | Number | Remarks* |
|------|----------------------|--------|----------|
| 1.   | Approved sample size |        |          |
| 2.   | Screened             |        |          |
| 3.   | Enrolled             |        |          |
| 4.   | Withdrawn            |        |          |
| 5.   | Terminated           |        |          |
| 6.   | Lost to follow up    |        |          |

|    |      |  |  |
|----|------|--|--|
| 7. | Died |  |  |
|----|------|--|--|

\*Give relevant explanation where necessary

Specimens' description (where applicable):

| Item | Specimens            | Number | Remarks* |
|------|----------------------|--------|----------|
| 1.   | Approved sample size |        |          |
| 2.   | Samples analyzed     |        |          |
| 3.   | Withdrawn consent    |        |          |
