WHY STUDY AT UCU?

- ▶ We develop leaders. Students have many opportunities to attend leadership training and engage in programmes and services to practice that leadership. There are over 60 student clubs and associations.
- ▶ We focus on the mind and the body. Sports and athletics are important, so excellent grounds are available for games and sports programmes.
- ▶ Our campus environment is spectacular and clean. Students respect the natural beauty of this place. You even see it in how students care for themselves and how they dress!
- ▶ Students get 'value for the money.' There is no profit motive

in this University; all the fees that are paid are in turn used to advance the University for the welfare of the students and the staff.

- ▶ We also have a great staff. People are committed to the mission and direction of the University, from the Vice Chancellor to the Estates Workers.
- ▶ Most important, we are a University seriously committed to our faith. Chaplaincy programmes, worship opportunities and other fellowships are commonplace, and help give strength and purpose to our students' studies.
- ▶ UCU has a legacy of education in Uganda that has lasted almost 100 years. Join with us, and be part of the legacy of the next century.
